These lessons are being used in churches, homes and prisons all over the world.

## Student Quotes

"I would have liked to have taken these lessons on Love, Dating and Marriage before I got married. I probably would not have married and gone through such a bad experience of divorce. However, because of this, I came to know the saving knowledge of Jesus Christ Thank you for these lessons." –PR

"Doing these lessons help me to get a better and clearer understanding about the Bible. Also, they help me in my Christian walk to be strong and bold for Christ and help me to encourage other young people to live for Him." – STT. V.I.

"I am grateful to the Lord because I can feel His presence when I am studying the Bible Lessons at all times. Please pray for me because I want to continue to work for the Lord." NY

***Please continue to pray for our students!***

## Curriculum

The Bible Correspondence School offers sound Bible lessons to people of all ages. The course invites students to accept Jesus Christ as their personal savior and grow in their knowledge of the Bible. *BCS* also encourages students to attend a Biblically sound church, Sunday School and Bible Studies. The lessons are based on the King James Version of the Bible, which is widely used in the West Indies and the Reina Valera Version in Spanish. Currently the Bible Course may be requested in several different languages: Spanish and English, Telagu, Bermese and soon French.

The eight CEM courses explore topics such as Creation, Heaven, Prophecy, Women of the Bible and the Pauline Letters. Each Course contains lessons that challenge students to develop a relationship with God, and require the student to look for the answer in the Bible. Students are rewarded with certificates and booklets upon completing each course.

Our Mailbox Club is specifically tailored to students between the ages of 4 and 14. Each age group is encouraged to seek God's truth and grow through Him applying Biblical truth to daily situations.

Additional new courses include, *Love Dating and Marriage*, *New Life in Christ* and *Practical Christian Living*. These lessons are also available in Spanish. Along with the variety of lessons, we also include entertainment sections like puzzles, word games and Bible quizzes, based on the lessons material. The answers are on the next lesson and not graded.

## How it began

The Bible Correspondence School of the Caribbean has been a ministry of Calvary Evangelistic Mission, Inc. since the Mission began in 1953. CEM, Inc. and Bible Correspondence School mission exists to glorify God and help fulfill the Great Commission through religious education. We endeavor to win, challenge, train and motivate people to work for Jesus Christ, so they can win and disciple others. *"And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also."* 2 Timothy 2:2

Studying the Word of God makes a positive difference in one's life. We at the Bible Correspondence School are helping to improve the moral and spiritual fiber of our student and society.
